

## **Dining Options in Seattle's University District for the VISTA Community Meeting and Paideia Peer Review**

Lunch will be provided at the meeting each day (Friday, Saturday, and Sunday), but you are on your own for dinner! Also, those of you coming early for the Paideia sessions will need to fend for yourselves. Here are some ideas of places to go.

### **Eclectic Others**

The University District is home to literally dozens of hole-in-the-wall ethnic eateries dishing up teriyaki, curry, pho, calzones, kabobs, and just about anything else you might be looking for (even the occasional hamburger). Most of these places are along University Way NE, known locally as "The Ave.". The Ave actually has its own wiki entry, presented here for your browsing pleasure: [http://en.wikipedia.org/wiki/The\\_Ave](http://en.wikipedia.org/wiki/The_Ave) We decided against assembling an exhaustive list of food on The Ave, but if you are interested in a particular type of cuisine, email us and we'll try to run it down for you.
